EPSEN FULLER/IMD FILLS KEY POSITION FOR DRÄGER MEDICAL

Morristown, N.J. (July 1, 2008) - Executive search firm Epsen Fuller/IMD International Search Group, announced the appointment of Claudia Brozda to the position of Director, Professional Services of Dräger Medical Systems, Inc., a global leader in the engineering and manufacturing of medical equipment.

Prior to joining Dräger Medical, Ms. Brozda was with Siemens Corporation where she held various senior positions of increasing responsibility and importance in the program and project management area. Most recently she was Program Owner, Professional Services. A results oriented executive, Ms. Brozda will be responsible for developing and deploying programs to manage large, complex implementation of network installations and monitoring device/IT related applications.

John Gilbert, partner and leader of the Life Science practice and Conni Bullock, principal conducted the search from the firm's New Jersey office.

About Dräger

Dräger Medical, www.draeger-medical.com, A Dräger and Siemens Company, is one of the world's leading manufacturers of medical equipment. The Company offers products, services and integrated CareArea™ Solutions throughout the patient care process - from Emergency Care, Perioperative Care to Critical Care, Perinatal Care and Home Care.
